

Date	Time	Event	Ages	Location	Description
Th, 2/1	10-11 AM	Movement & Motion Storytime	0-5	Cottonwood Public Library	Learn about motion through a story, dance & craft.
Th, 2/1	3:30-5:30 PM	VV STEAM Lab Open House	all ages	Camp Verde Community Library	Check out the new VV STEAM Lab, make a code-cipher bracelet, and demo CVCL's new printing press.
Th, 2/1	4-5:30 PM	Chess Club	8-17	Sedona Public Library	Have fun while learning new chess strategies and improving your problem-solving, analytical thinking, and concentration. All skill levels welcome.
Thu, 2/1	4:30-6 PM	Tinkercad 3D Modeling: Keychain	all ages	Science Vortex	Family Makerspace Night: Design a keychain to print on the 3D printer (designs will have to be picked up after Mon, Feb. 4th).
Fri, 2/2	10-11 AM	Fizzy Art	2-5	Science Vortex	Little Learners: Jr. chemists will make a fizzy art mosaic, then will take a photo of their work.
Fri, 2/2	3:30- 4:30 PM	Paper Plate Roller Coaster	all ages	Cottonwood Public Library	Family Craft: Enjoy a read-aloud, then make a roller coaster toy.
Sat, 2/3	2-4 PM	VV SciTech Festival Kickoff	all ages	Science Vortex	Celebrate our regional STEAM festival w/ hands-on activities for children, a planetarium, giveaways & raffles- over 15 organizations will be represented!
Mon, 2/5	3:00-4:30	Space Family Fun	5-13	Immac. Conc. Catholic School	See a planetarium show with the Arizona Science Center and learn about space with hands-on activities with ICCS teachers and students!
Mon, 2/5	3:30-4:30 PM	Yes I Can: Stress & Our Bodies	8-12	Cottonwood Public Library	How does stress affect your body? Come learn from VV Sanctuary staff.
Tues, 2/6	11:15-11:45 AM	Children's Storytime: Space	0-5	Sedona Public Libr. in the Village	Enjoy a space story in the Village of Oak Creek at Sedona Public Library in the Village.
Wed, 2/7	3:30-4 PM	Phases of the Moon w/ Cookies	6-12	Cottonwood Public Library	Calling all amateur astronomers who like cookies! Learn about the phases of the moon w/ edible treats.
Wed, 2/7	4-5 PM	Teen- Phases of the Moon w/ Cookies	13-18	Cottonwood Public Library	Teenagers like cookies too! Learn about the phases of the moon w/ an edible activity.
Wed, 2/7	4:30-6:30 PM	Exploring STEAM w/ CVES & CVCL	all ages	Camp Verde Elementary School	Explore CVCL's new mobile STEAM Lab at CVES w/ hands-on STEAM activities.
Th, 2/8	10-11 AM	Phases of the Moon Storytime	0-5	Cottonwood Public Library	Little ones will dance, listen to a story and craft while learning about the phases of the moon. Sweet treat included!
Th, 2/8	4-5 PM	Children's Museum Tour	8-12	VV Archaeology Center & Museum	A tour of the museum w/ emphasis on the museum's new Grand Canyon Collection exhibit.
Th, 2/8	4-5:30 PM	Chess Club	8-17	Sedona Public Library	Have fun while learning new chess strategies and improving your problem-solving, analytical thinking, and concentration. All skill levels welcome.
Th, 2/8	4:30-6 PM	Secret Message Valentine's Cards	all ages	Science Vortex	Family Makerspace Night: create Valentine's Day cards w/ an invisible message for the recipient to uncover.
Fri, 2/9	10-11 AM	Heart-shaped Suncatcher	2-5	Science Vortex	Little Learners will observe light through transparent & translucent materials by making a Valentine's-themed suncatcher.
Fri, 2/9	3:30-4:30 PM	Weaving & Finger Knitting	all ages	Cottonwood Public Library	Family Craft: Enjoy a story, then test out weaving & finger knitting.
Sat, 2/10	10:30-11:30 AM	Cartooning with Mr. Jan(imal)	8-17	Sedona Public Library	Let's draw! Learn from Mr. Jan(imal), the VV's very own cartoonist who also happens to be SPL's Program & Marketing Coordinator.
Sat, 2/10	12-2 PM	Mad Science at MVP	5-15	Mountain View Preparatory	Experience quintessential STEM fun with glow-in-the-dark slime, magnet-powered cars, bubbles & balloon-powered Lego cars.
Sat, 2/10	3:30-5 PM	Snakes: Magical Mimicry in Nature	all ages	Sedona Public Library	Join an Arizona State Parks Ranger to learn about native snakes in our area and meet a rescued, Sonoran gopher snake. Light refreshments provided.
Mon, 2/12	3:30- 4:30 PM	Yes I Can: Relaxation & Our Bodies	8-12	Cottonwood Public Library	How can you calm your body? Come learn about fight or flight from VV Sanctuary staff.
Tues, 2/13	10-11 AM	Music & Movement Storytime	0-5	Cottonwood Public Library	Tiny Tot Storytime: Our littlest friends will move their bodies to the music, hear a story & learn about the human body in a fun way.
Wed, 2/14	3:30- 4 PM	Ozobot Finds Love	8-12	Cottonwood Public Library	Play with Ozobot robots, learn how they use coding to operate, and help Ozobot "Find Love."
Wed, 2/14	3-4 PM	Light-up Valentines Day Cards	6-14	Sedona Public Library	Create an electrical circuit to make your very own light-up Valentine's Day card.
Th, 2/15	10-11 AM	Robots Storytime	0-5	Cottonwood Public Library	Little ones will dance, listen to a story & do a craft while learning about robots.
Th, 2/15	4-5 PM	Grand Canyon Split Twig Figurine-Making	8-12	VV Archaeology Center & Museum	Learn to make a split twig figurine, much like the ones discovered in Grand Canyon National Park & on display at the museum.
Th, 2/15	4-5:30 PM	Chess Club	8-17	Sedona Public Library	Have fun while learning new chess strategies & improving your problem-solving, analytical thinking & concentration. All skill levels welcome.
Th, 2/15	4:30-6 PM	Rube Goldberg Machines	all ages	Science Vortex	Makerspace Family Night- Flex your creativity, perseverance & engineering skills to create a chain-reaction machine.
Fri, 2/16	10-11 AM	Sound Explorations	2-5	Science Vortex	Little Learners will learn about the science of sound with hands-on experiments.
Fri, 2/16	3:30- 4:30 PM	Loving Pets & Pet Care	all ages	Cottonwood Public Library	Family Craft: Enjoy a read aloud, then learn from the VV Humane Society about pet care. Participants will make a keepsake box to take home.
Sat, 2/17	10:30-11:30 AM	Space Adventure Storytime	<10	Sedona Public Library	Join Ms. Marcia for a space adventure storytime.
Sat, 2/17	11 AM-12 PM	Cartooning for Kids	7-17	Cottonwood Public Library	Learn cartooning from our talented local cartoonist: The Janimal.
Sat, 2/17	1-2 PM	Create a Robotic Hand	8-12	Camp Verde Community Library	Explore robotics, engineering & creative-thinking by designing and building a robotic hand.
Sat, 2/17	2-5 PM	Drone Making & Flying Workshop	9-12	Science Vortex	Build a drone & learn to fly it with SV Chief Science Officers (student STEM ambassadors). Pre-registration required at sciencevortex.org.
Sun, 2/18	1:30-5:30	Vitalant Blood Drive	18+	Science Vortex	Sign up to donate blood to help hospital patients in need at: vitalant.org
Tues, 2/20	10-11 AM	Music & Movement Storytime	0-5	Cottonwood Public Library	Tiny Tot Storytime: Our littlest friends will move their bodies to the music, hear a story & learn about the human body in a fun way (part 2).
Tues, 2/20	11:15-11:45 AM	Children's Storytime: Dinosaurs	0-5	Sedona Public Libr. in the Village	Enjoy a dinosaur story in the Village of Oak Creek at Sedona Public Library in the Village.
Wed, 2/21	10-11 AM	Dinosaur Storytime in the Park	2-8	Sunset Park, Sedona	Join Miss Marcia at Sunset Park for a dinosaur story & fun. Bring your own blanket & dress appropriately. Bad weather? We will relocate to SPL.
